ADVENTURES

Dear Applicant,

We are happy to send you this application for scholarship assistance to the Jordan Schnitzer Family Art Adventures Program this coming season. Art Adventures offers spring break and summer art camps, teen workshops and many other art classes. These camps and classes bring together a diverse community of children for arts and crafts activities on OCAC's lovely ten-acre campus. We are looking forward to meeting another group of energetic, creative and enthusiastic children this season.

Scholarships are awarded to those students who have financial need; show strong creative characteristics and leadership ability, and whose strengths will add to the class/camp dynamic. Art Adventures cannot meet the full needs of all applicants. Financial aid is probably not possible for families whose adjusted income is more than \$50,000. However, we do consider the number of children in the family and the individual circumstances of each family. The more you can help us understand your circumstances, the better a decision we can make. Campers who qualify for a scholarship may reapply each year for up to three years.

To apply for scholarship, you will need to:

1. Complete the enclosed ART ADVENTURES SCHOLARSHIP APPLICATION FORM- including signing the ART ADVENTURES POLICIES page (which includes a Waiver of Liability) and completing the ART ADVENTURES AND PRE-COLLEGE MEDICAL RELEASE FORM.
2. Include a copy of your most recent IRS 1040 or verification of receiving public assistance (free lunch program, Oregon Health Plan, food stamps, unemployment pay stubs, etc.). Additionally, if you wish to provide any further information about your financial status that you feel would be helpful in determining your scholarship need it may be enclosed as a separate letter.
3. Send one letter of recommendation for the student from a teacher, employer, youth leader, coach, or spiritual leader. (No friends or family, please.)
4. Have your child write (or dictate) a paragraph stating why they want to attend Art Adventures.
5. Send all above items together by mail so it is received at the College as soon as possible.

Scholarship is given to those who qualify on a first come first served basis until the funds are depleted. Scholarship applications must be mailed or hand delivered; no faxed applications will be accepted. Please note, we have a three year limit to receiving a scholarship.

All financial information is strictly confidential. You will be notified within three weeks of your submission as to whether a scholarship will be awarded. Due to the amount of scholarship requests and financial need, Art Adventures is unable to grant scholarships for multiple sessions. Please apply for one session per student.

Please call 971.255.4205 if you have any questions.
