art and craft

Dear Applicant,

We are happy to provide the opportunity to apply for a scholarship for your choice of a Studio School adult continuing education class or workshop.

Scholarships are awarded to those students who demonstrate financial need, articulate a need to participate in the requested course, and whose strengths will add to the class dynamic. Oregon College of Art and Craft cannot meet the full needs of all applicants. Financial aid is probably not possible for students whose adjusted household income is more than \$50,000. However, we do consider extenuating circumstances if described. Please include as much information about your financial need as possible to assist us in the decision-making process.

To apply for scholarship, you will need to:

1. Complete the attached Studio School Scholarship Application Form.
2. Include a copy of your most recent IRS Form 1040 or verification of receiving public assistance (Oregon Health Plan, food stamps, unemployment pay stubs, etc.).
3. Include one letter of recommendation from a previous teacher, student, or employer. (No friends or family, please.)
4. Write a statement (200-500 words) explaining how attending your chosen Studio School course would enrich your life, augment your professional skills and/or generally improve your life.
6. Send all above items together electronically to:

All financial information is strictly confidential. You will be notified within three weeks of your completed submission as to whether a scholarship will be awarded. Due to the amount of scholarship requests and financial need, Oregon College of Art and Craft is not able to award scholarships to the same recipient more than once in a single year.

Please email kweinstein@ocac.edu with any questions.

Best Regards,
